- 4/23/19-Ledgeview Caves Field Trip

A Note From Mr. Krause

Testing Season is upon us! 4th Graders will be FORWARD Testing next week (week of 4/8). This is a big year as 4th graders test in all subject areas (ELA, Math, Science, Social Studies). Your help is critical in talking with your child about the test, as well as preparing them with plenty of sleep and a healthy breakfast. Granola bars have been purchased for students as well. If you have \$1 to spare to go towards them, it is greatly appreciated.

Student of the Month: Claudia Berenz

A Peek At What We Are Learning

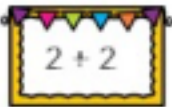

Reading

Informational-Integrating Info from Sources
Fiction-Point of View

Writing

Historical Fiction-Traveling West
Research: Rocks/Fossils

Math

Extending Fraction Concepts to Decimals
Measurement and Data Conversions

Science

Rocks and Fossils
