A Note From Mr. Krause

First and foremost, thank you to everyone for coming to Parent/Teacher Conferences. It is always great to talk with parents to collaborate on your child's success. A big reminder that Cultural Night is coming up on 3/14/19 from 5-7pm. This is the night when 4th graders will showcase all of their research for their Country Report that they have begun recording. I sincerely hope that you can make this awesome Jackson annual event!
