A Note From Mr. Krause

We have hit the home stretch! I want to thank all of the families in Room #209 for a great year! We have done so much learning so far this year and I have seen tremendous growth in all of the students. We have a few final tests to give (STAR and Fountas and Pinnell) to check on all the growth the students have made this year. Please review the calendar to the left for many important dates for the end of the year. Have a great summer and see you in the fall! **Students of the Month:**
