## A Note From Mr. Krause

The first week of school has come and gone and we are off to a great start. It was great to see so many families at Move-In Night. Thank you as well for making sure your child has all of his/her necessary school supplies. I am so excited to be sharing this year with your child. I sincerely hope that this 4<sup>th</sup> Grade year ROCKS! Please do not hesitate to contact me if you need anything regarding your child's education. We are also looking for donations to our Brat Fry Theme Basket of Family Movie Night!
